# **Independent Auditors' report**

#### To the Members of Centaur Natural Resources Bond

#### Report on the financial statements

We have audited the financial statements of Centaur Natural Resources Bond (the "Segregated Account") on pages 6 to 22, which comprise the statement of financial position as at 31 December 2015, and the statements of comprehensive income, changes in net assets attributable to bondholders and cash flows for the period form 4 December 2014 (date of incorporation) to 31 December 2015, and a summary of significant accounting policies and other explanatory information.

Board of Directors' responsibility for the financial statements

The Board of Directors is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion the financial statements give a true and fair view of the financial position of Centaur Natural Resources Bond as at 31 December 2015, and of its financial performance and its cash flows for the period from 4 December 2014 (date of incorporation) to 31 December 2015 in accordance with International Financial Reporting Standards as adopted by the European Union.

#### Other matter

This report, including the opinion, has been prepared for and only for the Segregated Account's members as a body and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whose knowledge this report may come to.

### NOTES TO THE FINANCIAL STATEMENTS

For the period from 4 December 2014 (date of incorporation) to 31 December 2015

#### 1. INCORPORATION AND PRINCIPAL ACTIVITY

Centaur Natural Resources Bond is the Segregated Account #1 (the "Segregated Account") in Centaur Group Finance Ltd. (the "Company") which is an exempted company with unlimited duration and segregated liability between segregated accounts incorporated with limited liability in Bermuda on 4 December 2014 having registered number 49798 and being registered under the Bermuda Segregated Accounts Companies Act 2000 on 4 December 2014. The registered office of the Company is located at Cedar House, 41 Cedar Avenue, Hamilton HM12, Bermuda.

The principal activity of Centaur Natural Resources Bond is to carry on the business of financing business projects in relation to the development of various mining projects in the coal and copper sector predominantly in the United Kingdom, South Africa and Namibia and/or the acquisition of capital equipment to expand current mining operations and/or to finance current sand, gravel and asphalt production for existing projects.

The Bonds issued by Segregated Account #1 are listed on the Bermuda Stock Exchange ("BSX").

The investment activities of the Segregated Account #1 are managed by Centaur Asset Management Ltd., a wholly owned subsidiary of Centaur Holdings Limited, incorporated in Bermuda (the "Investment Manager") and paying agent services of the Company are delegated to Global Custodial Services Limited & Global Currency Exchange Network Limited.

#### 2. BASIS OF PREPARATION

#### (a) Statement of compliance

The financial statements of the Segregated Account are for the period ended 31 December 2015 and have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union (EU).

#### (b) Basis of measurement

The financial statements have been prepared under the historical cost convention.

#### (c) Adoption of new and revised International Financial Reporting Standards and Interpretations as adopted by the ${\rm EU}$

At the date of approval of these financial statements, standards, revised standards and interpretations were issued by the International Accounting Standards Board which were not yet effective. Some of them were adopted by the EU and others not yet. The Board of Directors expects that the adoption of these financial reporting standards in future periods will not have a material effect on the financial statements of the Segregated Account.

### (d) Functional and presentation currency

These financial statements are presented in United States Dollars (US\$), which is the Segregated Account's functional and presentation currency. All financial information presented in United States Dollars has been rounded to the nearest dollar.

#### NOTES TO THE FINANCIAL STATEMENTS

For the period from 4 December 2014 (date of incorporation) to 31 December 2015

#### 2. BASIS OF PREPARATION (continued)

#### (e) Use of estimates and judgements

The preparation of financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are revised on a continuous basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

#### (f) Changes in accounting policies

There were no changes in the accounting policies of the Segregated Account during the period.

#### 3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to the period presented in these financial statements.

#### (a) Financial assets and financial liabilities

#### (i) Classification

The Segregated Account classifies all its financial assets and financial liabilities into the amortised cost category.

### (ii) Recognition

The Segregated Account recognises financial assets and financial liabilities on the trade date it becomes a party to the contractual provisions of the instrument.

#### (iii) Measurement

Financial assets classified as loans and receivables are carried at amortised cost using the effective interest rate method, less impairment losses, if any.

Financial liabilities are measured at amortised cost using the effective interest rate.

# NOTES TO THE FINANCIAL STATEMENTS

For the period from 4 December 2014 (date of incorporation) to 31 December 2015

### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (a) Financial assets and financial liabilities (continued)

#### (iv) Impairment

Financial assets that are stated at cost or amortised cost are reviewed at each statement of financial position date to determine whether there is objective evidence of impairment. If any such indication exists, an impairment loss is recognised in the statement of comprehensive income as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate.

If in a subsequent period the amount of an impairment loss recognised on a financial asset carried at amortised cost decreases and the decrease can be linked objectively to an event occurring after the impairment, the decrease in impairment is reversed through the statement of comprehensive income.

### (v) De-recognition

The Segregated Account derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with IAS 39.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

#### (b) Interest income and expense

Interest income and expense is recognised in the statement of comprehensive income as it accrues, using the original effective interest rate of the instrument calculated at the acquisition or origination date. Interest income includes the amortisation of any discount or premium, transaction costs or other differences between the initial carrying amount or any interest-bearing instrument and its amount at maturity calculated on an effective interest rate basis. Interest income and expense includes interest on bank, loans receivable and bonds payable.

### (c) Loans granted

Loans originated by the Segregated Account by providing money directly to the borrower are categorised as loans and are carried at amortised cost. This is defined as the fair value of cash consideration given to originate those loans as is determined by reference to market prices at origination date. All loans are recognised when cash is advanced to the borrower.

An allowance for loan impairment is established if there is objective evidence that the Segregated Account will not be able to collect all amounts due according to the original contractual terms of loans. The amount of the provision is the difference between the carrying amount and the recoverable amount, being the present value of expected cash flows including amounts recoverable from guarantees and collateral, discounted at the original effective interest rate of loans.

#### NOTES TO THE FINANCIAL STATEMENTS

For the period from 4 December 2014 (date of incorporation) to 31 December 2015

## 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (d) Foreign currency translation

Transactions in foreign currencies are translated at the foreign currency exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to US\$ at the foreign currency exchange rate ruling at the statement of financial position date. Foreign currency exchange differences arising on translation and realised gains and losses on disposals or settlements of monetary assets and liabilities are recognised in the statement of comprehensive income.

Non-monetary assets and liabilities denominated in foreign currencies which are stated at historical cost are translated at the foreign currency exchange rate ruling at the date of the transaction, or if impaired, at the date of the impairment recognition.

#### (e) Expenses

All expenses are recognised in the statement of comprehensive income on an accrual basis.

#### (f) Cash and cash equivalents

Cash comprises current deposits with banks. Cash equivalents are short - term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

#### (g) Taxation

The Company is an exempted company within the meaning of The Companies Act 1981 of Bermuda and as such, under current law, is not liable for any taxes in Bermuda. The Company is required to pay an annual government fee currently US\$1,000.

The Company is not subject to any income, withholding or capital gains taxes in Bermuda.

#### (h) Other payables

Other payables are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method.

#### (i) Provisions

A provision is recognised in the statement of financial position when the Segregated Account has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

### NOTES TO THE FINANCIAL STATEMENTS

For the period from 4 December 2014 (date of incorporation) to 31 December 2015

### 3. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (i) Operating segments

The Board of Directors of the Segregated Account has considered the requirements of IFRS 8: Operating Segments. The Board of Directors is of the view that the Segregated Account is engaged in a single segment of business, being that of investing in a pool of assets (mainly consisting of loans) for the purpose of meeting the Segregated Account's investment objective.

The Board of Directors, as a whole, has been determined as constituting the chief operating decision maker of the Segregated Account. The key measure of performance used by the Board of Directors to assess the Segregated Account's performance and to allocate resources is the total return on the Segregated Account's net asset value, as calculated under IFRS, and therefore no reconciliation is required between the measure of profit or loss used by the Board and that contained in the financial statements.

Information on interest income, which forms the Segregated Account's core source of revenue, is disclosed in the profit or loss.

#### **Investment Manager**

The Investment Manager is Centaur Asset Management Ltd, a company incorporated in Bermuda, and has been appointed by the Segregated Account to manage the investments of the Segregated Account in accordance with the Offering Memorandum and the Management Agreement. The Investment Manager will be paid a management fee equivalent to 1.00% per annum of the aggregate nominal amount of the proceeds from the issue of the Bonds. The fee shall be calculated monthly in arrears and payable monthly on the first business day of each calendar month.

Management fees of US\$38,065 have been waived by the Investment Manager during the period ended 31 December 2015 as a gesture of long term relationship.

#### 15. FINANCIAL RISK MANAGEMENT

The Segregated Account's investment activities expose it to various types of risk that are associated with the financial instruments and markets in which it invests. The most significant types of financial risks to which the Segregated Account is exposed are market risk, credit risk and liquidity risk.

This note presents information about the Segregated Account's exposure to the above risks, accounts objectives, policies and processes for measuring and managing risk, and the management of capital. Further quantitative disclosures are included throughout these financial statements.

The Directors have overall responsibility for the establishment and oversight of the Segregated Account's risk management framework.

The risk management policies are established to identify and analyse the risks faced by the Segregated Account, to set appropriate risks limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Segregated Account's activities.

### NOTES TO THE FINANCIAL STATEMENTS

For the period from 4 December 2014 (date of incorporation) to 31 December 2015

#### 15. FINANCIAL RISK MANAGEMENT (continued)

#### (a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect Segregated Account's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

#### Interest rate risk

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. Borrowings issued at variable rates expose the Segregated Account to cash flow interest rate risk. Borrowings issued at fixed rates expose the Segregated Account to fair value interest rate risk.

At the reporting date the interest rate profile of interest-bearing financial instruments was:

US\$
2,721.077

2015

Fixed rate instruments
Financial assets
Financial liabilities

(3,806,508)

#### Sensitivity analysis

Any increase/(decrease) in interest rates will have no effect on results and net assets of the Segregated Account, because, all financial instruments are fixed rated.

#### Currency risk

Currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates. Currency risk arises when future commercial transactions and recognised assets and liabilities are denominated in a currency that is not the Segregated Account's functional currency. The Segregated Account is exposed to foreign exchange risk arising from various currency exposures primarily with respect to the Euro. The Segregated Account's management monitors the exchange rate fluctuations on a continuous basis and acts accordingly.

The Segregated Account's exposure to foreign currency risk was as follows:

2015 Net assets/ (liabilities) US\$

Euro

(6,938)

#### 15. FINANCIAL RISK MANAGEMENT (continued)

#### (a) Market risk (continued)

Currency risk (continued)

### Sensitivity analysis

A 10% strengthening of the United States Dollar against the following currency at 31 December 2015 would have increased (decreased) net assets by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant. For a 10% weakening of the United States Dollar against the relevant currency, there would be an equal and opposite impact on the net assets.

	2015 Net assets/ (liabilities) US\$
Euro	(694)
	(694)

### (b) Credit risk

Credit risk represents the potential loss that the Segregated Account would incur if counterparties fail to perform pursuant to the terms of their obligations or commitments that they have entered into with the Segregated Account. The Segregated Account limits its credit risk by carrying out transactions through companies with sound financial background.

At the reporting date, the Segregated Account's financial assets exposed to credit risk amounted to the following:

	2015
	US\$
Cash and cash equivalents	996,475
Loans receivable	2,721,077
Other receivables	251,105
	3,968,657

#### (c) Liquidity risk

Liquidity risk is the risk that the Segregated Account will not be able to meet its financial obligations as they fall due. The Segregated Account's and the Investment Manager's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stress conditions.

There are no comparatives as this is the first set of financial statements prepared for the period from 4 December 2014 (date of incorporation) to 31 December 2015.

#### 18. EVENTS AFTER THE REPORTING PERIOD

On 14 June 2016 the Segregated Account and Nungu Ltd signed a termination agreement, pursuant to clause 3 of the loan facility agreement initially signed between the two parties on 1 January 2015, whereby the two parties agreed that effective 30 June 2016 the loan facility agreement is terminated and the entire outstanding loan and interest thereon shall be repaid by Nungu Ltd on that date. As per Segregated Account's Management the funds to be obtained from the repayment of this loan will be reinvested in similar projects.

Other than the above, there were no other material events after the reporting period, which have a bearing on the understanding of the financial statements.
