AND SUBSIDIARY**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**June 30, 2020 and December 31, 2019**

*(Expressed in U.S. dollars)*

**1. BUSINESS ACTIVITY**

Annuity and Life Re (Holdings), Ltd. (“Holdings”) was incorporated under the laws of Bermuda on December 2, 1997. Its principal activity is that of investment holding.

Holdings was wholly owned by Pope Investments II LLC, a managed limited liability company registered in Delaware. In 2013, the Board of Directors of Holdings approved the transfer of all its common shares from Pope Investments II LLC to Wilson & Co., a nominee company owned by HSBC Bermuda Custody Services for and on behalf of National Financial Services, with the intent of allowing more liquidity to the Company’s investors

The financial statements include the accounts of Holdings and its wholly owned subsidiary, Annuity and Life Reassurance, Ltd. (“ALRE”), a Class 3A and Class C insurer under the Insurance Act, 1978 of Bermuda and related regulations. ALRE has not written any long-term business since December 31, 2005 and does not intend to continue writing any long-term business in the near future. Effective August 1, 2013, ALRE entered into a commutation and release agreement with Alterra Bermuda Limited, in respect of the Property Quota Share Retrocession Agreement which both parties entered into in January 1, 2010. The commutation and release agreement mutually releases both parties from any and all past, present and future payment obligations in connection with the Retrocession agreement.

Holdings and ALRE are collectively referred to herein as the “Company.”

In 2012, the Company obtained a waiver on the qualified investor restriction, effectively allowing the Company’s listed securities to be held by the general public, subject to a few requirements imposed on regular publicly listed entities in the BSX.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

The significant accounting policies are as follows:

**(a) Basis of consolidation**

The consolidated financial statements include the accounts of Holdings and ALRE. All significant inter-company accounts and transactions have been eliminated upon consolidation.

**ANNUITY AND LIFE RE (HOLDINGS), LTD.  
AND SUBSIDIARY**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**June 30, 2020 and December 31, 2019**

*(Expressed in U.S. dollars)*

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**(b) Cash and cash equivalents**

Cash and cash equivalents are carried at market value, and consist of money market funds and short-term investments, with original maturities of 90 days or less.

**(c) Premiums written**

Premiums are recognized as revenue on a pro-rata basis over the periods of the respective policies or contracts of reinsurance. The portion of premiums that will be earned in the future are deferred and reported as unearned premiums. Premiums which are subject to adjustment are estimated based upon available information. Any variances from the estimates are recorded in the periods in which they become known.

**(d) Reserve for losses and loss expenses**

**Long-term Business**

The development of reserves for policy benefits and for claims incurred but not reported ("IBNR") for the Company's long-term products requires management to make estimates and assumptions regarding mortality, lapse, persistency, expenses and investment experience. Such estimates are primarily based on historical experience and information provided by ceding companies. Actual results could differ materially from those estimates. Management monitors actual experience and, where circumstances warrant, revises its assumptions and the related reserve estimates. In certain instances, the Company continues to be liable for claims arising on novated contracts which pre-date the novation agreement.

**General Business**

The liability for losses and loss adjustment expenses in relation to the Company's general reinsurance activities included an amount determined from loss reports and individual cases received from the ceding reinsurer and an amount, based on past experience and based on the study performed by an independent actuary, for losses incurred but not reported. These liabilities were commuted on August 1, 2013.

**(e) Acquisition costs and profit commission**

Acquisition costs, primarily commission and brokerage expenses, represent those costs which vary with and are primarily related to the acquisition of the general reinsurance contracts. These costs are deferred and are amortized over the period during which related premiums are earned.

Profit commission is accrued in accordance with the terms of the Property Quota Share retrocession agreement in an amount based upon the net income on the contract as recorded in the financial statements.

**ANNUITY AND LIFE RE (HOLDINGS), LTD.  
AND SUBSIDIARY**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

**June 30, 2020 and December 31, 2019**

*(Expressed in U.S. dollars)*

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**(f) Investments**

Effective January 1, 2019, with the adoption of the new FASB guidance on recognition, measurement, presentation and disclosure of financial instruments (ASU 2016-01), the Company measures investments at fair value with changes in unrealized gains and losses recognized in consolidated net income.

Prior to January 1, 2019, investments were classified as available for sale, carried at market value with unrealized gains and losses included in other comprehensive income in the consolidated statements of income and comprehensive (loss) income which is presented as a separate component of shareholder's equity.

Investments are carried at their fair value with the unrealized gain or loss reported in the consolidated statements of (loss) income.

Realized gains and losses on investments are recognized in the consolidated statements of (loss) income using the specific identification method. Interest income is recognized on an accrual basis.

Investments in non-publicly traded companies are measured at cost.

**Investments on Short sale**

The investment sold short is measured at the fair value of the security.

**(g) Use of estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. While management believes that the amounts included in the consolidated financial statements reflect the Company's best estimates and assumptions, actual results could differ from these estimates.

*(Expressed in U.S. dollars)*

**3. OTHER MATTERS**

In June 2014, the Company applied for a repurchase of 2,375,625 of its own shares from Wilson & Co. The application was approved and executed within the facilities of the Bermuda Stock Exchange. Total cost of the repurchase amounted to \$17,527,505. The said repurchase was funded in part through settlement of intercompany accounts between the Company and ALRE via dividend-in-specie, and settlement of intercompany accounts between the Company and Pope Investments II LLC. The repurchase is reflected as treasury stock at cost in the Company's Shareholder's equity.

In August 2014, the Company applied for another repurchase of 84,309 of its own shares from Wilson & Co. The application was approved and executed within the facilities of the Bermuda Stock Exchange. Total cost of the repurchase amounted to \$639,449. The repurchase is reflected as treasury stock at cost in the Company's Shareholder's equity.

In January 2019, the Company's Board of Directors approved and executed a repurchase of 80,800 of its common shares from US Bank for a consideration of \$518,721. An additional stock repurchase was approved in April 2019. For a consideration of \$217,183 (inclusive of BSX and Custody fees) the Company bought 25,000 of its shares from US Bank. Both transactions were executed through the facilities of the Bermuda Stock Exchange. The said repurchase was funded by a return of capital received from its subsidiary, Annuity and Life Reassurance Ltd.

On January 27, 2020, the Company has elected to convert in full, the principal and accrued interest outstanding on the Loans of US\$4,331,840 as of date into 13,973,677 Tethys ordinary shares. The Company is now holding 27% of Tethys' total issued shares.

The judgement on Full Apex Winding up proceedings was handed down on March 12, 2020. The Court dismissed the Company's substitution application. The Company has filed an application for permission to appeal.

Per the Company's legal adviser, Kennedys, if it does not continue the appeal, the Company's obligation to reimburse Full Apex's expenses related to the Company's application to be substitution will likely to be assessed at between \$200,000 and \$305,000. The Company may also have to pay some or all of the joint provisional liquidators' costs, which may be between \$100,000 and \$200,000. On the other hand, if the Company's appeal will not succeed, the Company is likely to be required to secure a sum to cover the other parties' appeal costs in order to bring the appeal which is estimated to be another US\$200,000 to \$250,000 each for Full Apex and the joint provisional liquidators. Moreover, if the Company seeks a stay of the Judgment pending the appeal, and is successful in obtaining that stay, the Company may be required to undertake to compensate Full Apex for any losses Full Apex suffers as a result of having a pending winding up petition during the course of the appeal proceedings, which damages could be very substantial for a significant Singapore listed manufacturer.

ALRE continues to comply with the relevant statutory ratios and margins required by the provisions of the Companies Act.

The Company is not aware of any new contingencies other than those previously reported on the Company's audited financial statements for the year ended December 31, 2019.
