## **Independent Auditor's Report to the Members and Directors of Aurum Multi Strategy Dollar Fund Ltd.**

We have audited the accompanying financial statements of Aurum Multi Strategy Dollar Fund Ltd. (the "Company"), which comprise the Statement of Financial Position and Portfolio Statement as at 31 December 2009 and the Statement of Comprehensive Income, Statement of Changes in Net Assets Attributable to Holders of Participating Shares and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2009 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

# Aurum Multi Strategy Dollar Fund Ltd.

## Notes to the Financial Statements for the year ended 31 December 2009

### 1 General

Aurum Multi Strategy Dollar Fund Ltd. (the “Dollar Fund” or the “Company”) was incorporated in Bermuda under the Companies act 1981 on 29 November 2006 and acts as an investment company. Shares of the Dollar Fund are denominated in US dollars. The Dollar Fund is one of three Feeder Funds comprising the Dollar Fund, Aurum Multi Strategy Euro Fund Ltd. (the “Euro Fund”) and Aurum Multi Strategy Sterling Fund Ltd. (the “Sterling Fund”) that invest in Aurum Multi Strategy Fund Ltd. (the “Master Fund”). The other Feeder Funds have euro and sterling denominated shares respectively.

The Feeder Funds must solely invest into Participating Shares of the Master Fund, except in the case of the Sterling and Euro Funds in respect of currency hedging. The Participating Shares of the Master Fund are valued in US dollars. The Sterling and Euro Funds whilst investing into US dollar denominated Participating Shares of the Master Fund will, by appropriate currency hedging, seek to protect the value of their shares in sterling and euro terms respectively irrespective of movements in currency values between the US dollar, sterling and euro. The Master Fund pays the fees of the Administrators, Custodian, the Investment Advisor, audit, formation and minor out of pocket expenses and Directors’ fees of all funds. Each Fund will otherwise bear its own costs and liabilities.

The Company’s investment objective is to achieve long term capital growth by investing in the Participating Shares of the Master Fund. The annual report and audited financial statements of the Master Fund for the year ended 31 December 2009 are attached and should be read in conjunction with these financial statements.

The audited financial statements were approved by the Board of Directors on 21 May 2010.

### 2 Principal Accounting Policies

The principal accounting policies which have been applied are set out below.

#### Statement of Compliance

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) and interpretations adopted by the International Accounting Standards Board (IASB).

#### Basis of Preparation

The financial statements are presented in the currency of the primary economic environment in which the Company operates, which is the US dollar, reflecting the fact that the redeemable Participating Shares are issued in US dollars and the Company’s operations are primarily conducted in US dollars. They are prepared on a fair value basis for financial assets and financial liabilities at fair value through profit or loss. All other assets and liabilities are stated at amortised cost.

The accounting policies and presentation have been applied consistently by the Company and are consistent with those used in the previous year.

The Company is organised and operates as one segment (in terms of both business and geography). Consequently, no segment reporting is provided in the Company’s financial statements.

#### Changes in accounting policy and disclosures

During the year, the IASB approved amendments to a number of existing standards as a result of the improvements project and issued several new standards. The objectives of the improvements project were to reduce or eliminate alternatives, redundancies and conflicts within the standards, to deal with some convergence issues and to make other improvements.

These financial statements have been prepared in accordance with amendments to IFRS 7, details of which are in Note 11 of the Master Fund financial statements.

The Directors are of the belief that there has been no impact of other revised standards on the current year’s financial statements.

# Aurum Multi Strategy Dollar Fund Ltd.

## Notes to the Financial Statements for the year ended 31 December 2009 (continued)

### 2 Principal Accounting Policies (continued)

#### Changes in accounting policy and disclosures (continued)

There are a number of other IFRS and interpretations which were in issue but have not been applied in the financial statements as they are not yet effective. The Directors anticipate that the adoption of these standards will have no material impact on the financial statements of the Fund.

#### Investments

The Company, on initial recognition, designates all investments as at fair value through profit or loss as, in doing so, it results in more relevant information because the investments and related liabilities are managed as a group of financial assets and liabilities and performance is evaluated on a fair value basis and reported to key management personnel on that basis.

Investments in collective investment schemes are recorded at the net asset value per share as reported by the administrators of such funds. Investment transactions are recorded on a settlement date basis which is the date of cash subscription of the investment or the date cash is received from redemption of an investment. Realised capital gains and losses on investment transactions are determined on the weighted average cost basis and are included in the Statement of Comprehensive Income. Unrealised capital gains and losses from a change in the fair value of investments are recognised in the Statement of Comprehensive Income.

Where administrators are unable to provide net asset value per share the Directors make their own assessment of value based on available information.

Under IFRS, Participating Shares are treated as a financial liability and the format of the Statement of Financial Position reflects this position.

#### Translation of Foreign Currencies

Monetary assets and liabilities denominated in foreign currencies are translated into US dollars at exchange rates in effect at the date of the financial statements. Transactions in foreign currencies are translated into US dollars based on exchange rates on the date of the transaction.

#### Interest Income

Interest income is recognised in the Statement of Comprehensive Income for all interest bearing instruments on an effective interest basis.

#### Cash and Cash Equivalents

Cash and cash equivalents comprise cash balances held at banks together with bank overdrafts. The bank overdrafts are repayable on demand and form an integral part of the Company's cash management system.

#### Taxation

The Company has received an undertaking from the Ministry of Finance of Bermuda, under the Exempted Undertakings Tax Protection Act, 1966 exempting the Company from income, profit, capital transfer or capital taxes, should taxes be enacted, until 28 March 2016.

#### Expenses

All expenses are recognised in the Statement of Comprehensive Income on an accruals basis.

# Aurum Multi Strategy Dollar Fund Ltd.

## Notes to the Financial Statements for the year ended 31 December 2009 (continued)

### 2 Principal Accounting Policies (continued)

#### Use of Estimates

The preparation of financial statements in accordance with IFRSs requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the year. Actual results could differ from those estimates.

#### Derecognition of Financial Assets and Liabilities

A financial asset is derecognised when the Company loses control over the contractual rights that comprise that asset. This occurs when the rights are realised, expire or are surrendered. Assets that are sold are derecognised and corresponding receivables from the buyer for the payment are recognised as at the settlement date. The Company uses the weighted average cost basis to determine the realised gain or loss on derecognition. A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

### 3 Fees

The Company pays no direct fees. Please refer to the accompanying Master Fund Financial Statements for notes regarding fees paid by the Master Fund.

All of the Sponsor Shares have been issued to and are beneficially owned by the Investment Advisor. The Sponsor Shares do not carry the right to participate in the assets of the Company in a winding up, except to the extent of repayment of par value paid in cash, nor in any dividends or other distribution of the Company so long as any Participating Shares are in issue.

The Participating Shares are entitled to receive, to the exclusion of the Sponsor Shares, any dividends which may be declared by the Board of the Company and, upon the winding up of the Company, their par value and any surplus remaining after paying to the holders of the Sponsor Shares the par value of the Sponsor Shares (to the extent actually paid up in cash). The Sponsor Shares have the general voting powers of the Company and the holders of Participating Shares are entitled to receive notice of and attend all general meetings of the members.
