ASIA PACIFIC BASKET LIMITED

REPORT OF THE DIRECTORS

For the year ended 30 September 2013

The Directors present their report and the audited financial statements for the year ended 30 September 2013.

Principal Activity

The principal activity of the Company is investment holding.

The Company is a Guernsey authorised closed-ended investment scheme and is subject to the Authorised Closed-Ended Investment Scheme Rules 2008.

At an Extraordinary General Meeting of the Company held on 29 May 2013, shareholders approved a special resolution to extend the life of the Company for a further period up to 20 December 2017 from the Company's termination date of 4 September 2013. Under the terms of the Company's new prospectus, which replaced the old prospectus with effect from 29 May 2013, in the absence of a special resolution to extend the life of the Company, the Company's shares will be redeemed and the Company will terminate on 20 December 2017.

Results and Dividends

The statement of comprehensive income is set out on page 7. The Directors do not propose a dividend for the year (2012: Nil).

Directors

The Directors of the Company during the period and to the date of this report are detailed below.

J Lewis
C Hickling
D Stephenson

No Director had any beneficial interest in the shares of the Company.

Statement of Directors' Responsibilities

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company, for safeguarding the assets of the Company, for taking reasonable steps for the prevention and detection of fraud and other irregularities and for the preparation of a Directors' Report, which complies with the requirements of The Companies (Guernsey) Law, 2008.

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with The Companies (Guernsey) Law, 2008. The Directors have chosen to prepare financial statements for the Company in accordance with International Financial Reporting Standards (IFRSs).

International Accounting Standard 1 requires that financial statements present fairly for each financial year the Company's financial position, financial performance and cash flows. This requires the faithful representation of the effects of transactions, other events and conditions in accordance with the definitions and recognition criteria for assets, liabilities, income and expenses set out in the International Accounting Standards Board's 'Framework for the preparation and presentation of financial statements'. In virtually all circumstances, a fair presentation will be achieved by compliance with all applicable IFRSs. A fair presentation also requires the Directors to:

- consistently select and apply appropriate accounting policies;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information; and
- provide additional disclosures when compliance with the specific requirements in IFRSs is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

ASIA PACIFIC BASKET LIMITED

REPORT OF THE DIRECTORS (continued)

For the year ended 30 September 2013

Statement of Directors' Responsibilities (continued)

The Directors confirm that:

- so far as each Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each Director has taken all the steps he ought to have taken as a Director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.
- the financial statements give a true and fair view and have been prepared in accordance with International Financial Reporting Standards and with The Companies (Guernsey) Law, 2008 and the Protection of Investors (Bailiwick of Guernsey) Law, 1987.

Auditor

A resolution to re-appoint Saffery Champness as auditor will be put to the members at the Annual General Meeting.

By Order of the Board

Janine Lewis

Director

25 March 2014

INDEPENDENT AUDITOR'S REPORT

To the members of Asia Pacific Basket Limited

We have audited the financial statements of Asia Pacific Basket Limited for the year ended 30 September 2013, which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and related notes. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards.

This report is made solely to the company's members, as a body, in accordance with section 262 of The Companies (Guernsey) Law, 2008. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the United Kingdom Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view
- are in accordance with International Financial Reporting Standards (as adopted by the European Union); and
- comply with The Companies (Guernsey) Law, 2008.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where The Companies (Guernsey) Law, 2008 requires us to report to you if, in our opinion:

- proper accounting records have not been kept by the company;
- the financial statements are not in agreement with the accounting records; or
- we have failed to obtain all the information and explanations, which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

ASIA PACIFIC BASKET LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2013

1. PRINCIPAL ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

On 4 September 2013 the Company reached its termination date and all shareholders were offered the opportunity to redeem their shareholdings. However, pursuant to a decision by shareholders at an Extraordinary General Meeting of the Company on 29 May 2013, the life of the Company was extended for a further period up to 20 December 2017. On this date the Company switched from reporting under United Kingdom Generally Accepted Accounting Principles ('UK GAAP') to International Financial Reporting Standards ('IFRS'). These financial statements, including the comparative figures, are in compliance with IFRS; no adjustments have been necessary to convert comparative information previously reported under UK GAAP to IFRS. The transition from UK GAAP to IFRS has not materially affected the Company's reported financial position, financial performance or cash flows.

Going concern

The financial statements have been prepared on a going concern basis.

New, revised and amended standards and interpretations not yet adopted

At the date of authorisation of these Financial Statements, the following standards and interpretations, which have not been applied in these Financial Statements, were in issue but not yet effective:

- IAS 27 (revised) "Separate Financial Statements" (revised version effective for periods commencing on or after 1 January 2013 on adoption of IFRS 10, IFRS 11 and IFRS 12);
- IAS 28 (revised) "Investments in Associates and Joint Ventures" (revised version effective for periods commencing on or after 1 January 2013 on adoption of IFRS 10, IFRS 11 and IFRS 12);
- IAS 32 (amended) "Financial Instruments: Presentation" (effective for periods commencing on or after 1 January 2014);
- IFRS 7 (amended) "Financial Instruments: Disclosures" (various amendments effective for periods commencing on or after 1 January 2013 and 1 January 2015);
- IFRS 9, "Financial Instruments - Classification and Measurement" (no mandatory effective date determined);
- IFRS 10, "Consolidated Financial Statements" (effective for periods commencing on or after 1 January 2013);
- IFRS 11, "Joint arrangements" (effective for periods commencing on or after 1 January 2013);
- IFRS 12, "Disclosure of Interest in Other Entities" (effective for periods commencing on or after 1 January 2013);
- IFRS 13, "Fair Value Measurement" (effective for periods commencing on or after 1 January 2013).

In addition the IASB has completed its Annual Improvements 2010-2012 Cycle and Annual Improvements 2011-2013 Cycle, which have amended a number of existing standards and interpretations effective for accounting periods commencing on 1 January 2013 and 1 July 2014.

The Directors do not believe that the adoption of these standards and interpretations in future periods will have a material impact on the Financial Statements of the Company.

Foreign exchange

Foreign currency assets and liabilities are translated into Australian Dollars at the rate of exchange ruling on the balance sheet date. Foreign currency transactions are translated into Australian Dollars at the rate of exchange ruling on the date of the transaction. Foreign exchange gains and losses are recognised in the Statement of Comprehensive Income in the period in which they arise.

ASIA PACIFIC BASKET LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2013

1. PRINCIPAL ACCOUNTING POLICIES (continued)

Revenue recognition

Revenue includes bank interest and other income and is recognised when it is probable that the economic benefits associated with the transaction will flow to the Company and the revenue can be measured reliably. Revenues are accounted for on an accruals basis.

Investments

The Company's option investments are designated as investments at fair value through profit or loss.

The Company's bond investments are classified as available-for-sale investments.

All investments are measured initially at cost, which is the fair value of whatever was paid to acquire them. Transaction costs are expensed as incurred in the statement of comprehensive income. Investments are derecognised when the rights to receive cash flows from the investments have expired or the Company has transferred substantially all risks and rewards of ownership.

After initial recognition, the Company uses the following measurement basis for its investments:

- i) Held-for-trading investments and those so designated at inception: Fair value through profit and loss;
- ii) Available-for-sale investments: Fair value through equity.

Fair value is calculated using quoted market prices, independent appraisals, discounted cash flow analysis or other appropriate valuation models at the year end date. Gains arising on the disposal of investments are recognised in the Statement of Comprehensive Income, as are unrealised gains on investments at fair value through profit and loss. Unrealised gains on available-for-sale investments are recognised in other comprehensive income. All gains or losses are recognised in the period in which they arise. Prior year revaluation gains on available-for-sale investments disposed of during the year are recycled through the Statement of Comprehensive Income in the period in which the investments are disposed of.

Taxation

The Company is exempt from Guernsey income tax under the Income Tax (Exempt Bodies) Guernsey Ordinance 1989 and is charged an annual exemption fee of £600.

2. SEGMENT REPORTING

The Board of Directors considers that the Company is engaged in a single segment of business, being the holding of investments. The Board considers that it is the Company's Chief Operating Decision Maker.

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results could differ from such estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate was revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The most critical judgements that management has made in the process of applying the accounting policies and that have the most significant effect on the amounts recognised in the financial statements are related to the carrying value of the available-for-sale investments and the investments designated to be at fair value through profit or loss (see note 1).

ASIA PACIFIC BASKET LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2013

4. SIGNIFICANT AGREEMENTS

The following significant agreements have been entered into by the Company:

Administration, Custodian and Secretarial Agreement

Under the Administration, Custodian and Secretarial Agreement, the Company has agreed to pay or procure to be paid to the administrator, for its services as administrator, secretary, custodian and registrar, a fee of 0.15% per annum of the Company's funds (as reduced by any redemptions of Ordinary Shares prior to the Redemption Date). This fee is payable annually in advance each year until the termination date, the date of compulsory redemption of the ordinary shares. In addition the administrator is entitled to receive interest earned by the Company on the unpaid element of the fees.

Investment Advisory Agreement

Under the Investment Advisory Agreement, the Company has agreed to pay or procure to be paid to the advisor, for its services as advisor, a fee of 0.55% per annum of the Company's funds (as reduced by any redemptions of Ordinary Shares prior to the Redemption Date). This fee is payable annually in advance each year until the termination date, the date of compulsory redemption of the ordinary shares. In addition the advisor is entitled to receive interest earned by the Company on the unpaid element of the fees.

Distribution Agreement

Under the Distribution Agreement, the Company has agreed to pay or procure to be paid to the Distributors a fee of 0.7% per annum of that portion of the Company's funds that is derived from the subscription amount subscribed for by Subscribers introduced by the Distributor (as reduced by any redemptions of such Ordinary Shares prior to the Redemption Date), or holders of existing issued Ordinary Shares introduced by the Distributor and who elect to remain invested in the Company (as reduced by any redemptions of such Ordinary Shares prior to the Redemption Date), payable in advance on the first Business Day of each year, until the Termination Date.

5. INTEREST INCOME

Interest payable	1,416	45,932
Sundry expenses	1,817	1,772
	<u>423,201</u>	<u>489,565</u>

9. LOSS PER ORDINARY SHARE

The calculation of the basic and diluted loss per share is based on the following data:

	2013 AUD	2012 AUD
Loss attributable to ordinary shares:		
Loss for purpose of calculation of basic and diluted loss per share being loss for the year attributable to ordinary shareholders	<u>(160,629)</u>	<u>(121,049)</u>
Number of shares:		
Weighted average number of ordinary shares for the purpose of basic loss per share	27,874.51	28,926.05
Loss per share attributable to ordinary shares	<u>AUD (5.76)</u>	<u>AUD (4.18)</u>

A weighted average number of shares has been calculated to enable users to gain a fairer understanding of the loss generated per share through the year. The weighted average has been calculated with reference to the number of days shares have actually been in issue and hence their ability to influence income generated.

Balance carried forward	160,321	7,488,065	7,054,625

15. ULTIMATE CONTROLLING PARTY AND RELATED PARTY TRANSACTIONS

The immediate controlling party at the year end date is Praxis Fiduciaries Limited as trustee of The Basket Trust, which owns the Management shares in the Company, and the ultimate controlling party is Praxis Holdings Limited, a company incorporated in Guernsey.

Praxis Fund Services Limited ('PFSL') is deemed to be a related party, as Janine Lewis is a Director of the Company and of PFSL; Chris Hickling is a Director of the Company and an employee of PFSL and was a director of PFSL until his resignation on 26 June 2013; and David Stephenson is a Director of the Company and an employee of PFSL. During the year PFSL received AUD 53,670 (2012: AUD 44,925) for their services as administrator. At the year end date administration fees of AUD 83,817 had been paid to PFSL in advance (2012: AUD 34,375, 2011: AUD 40,575).

16. FINANCIAL INSTRUMENT RISK FACTORS

The Company is exposed to market risk, credit risk, liquidity risk and capital management risk from the financial instruments it holds. The Company has a fixed modus operandi, as stated in its prospectus, which is to invest its capital in a zero coupon bond and an option on a specified basket of indices and to retain a certain element of cash to cover expenses to be incurred over the specified period of its life. As a result of this, the Company's flexibility in dealing with the risks associated with these instruments is somewhat limited. However, the risk management policies that are employed by the Company to manage these risks are discussed below:

(i) Market risk

(a) Currency risk

Currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates. Currency risk arises when future commercial transactions and recognised assets and liabilities are denominated in a currency that is not the Company's measurement currency.

ASIA PACIFIC BASKET LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2013

16. FINANCIAL INSTRUMENT RISK FACTORS (continued)

(i) Market risk (continued)

(a) Currency risk (continued)

The Company is exposed to currency risk because the Credit Suisse index basket call option is denominated in US dollar whilst the Company's measurement currency is Australian dollar. At 30 September 2013, the foreign currency exposure of the Company represented 18.16% of Equity Shareholder's Funds. The Company's policy is not to manage the Company's exposure to foreign exchange movements by entering into any foreign exchange hedging transactions. If the US Dollar/Australian Dollar exchange rate at the year end date had been 5% higher/lower, this would have resulted in an increase/decrease in the year end net asset value of AUD 527,772.

The Company had no material currency exposures as at 30 September 2012 or 30 September 2011.

(b) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk as it invests cash and bank balances at short term interest rates. At 30 September 2013, the Company held cash on a call account of AUD 2,526,207 (2012: AUD 212,891, 2011: AUD 634,156), which earns interest at a floating rate.

Had these balances existed for the whole of the period, the effect on the statement of comprehensive income of a increase/decrease in short term interest rates of 0.5% per annum would have been a decrease/increase in the loss for the year of AUD 12,631 (2012: AUD 1,064, 2011: AUD 3,179).

The available-for-sale investments are exposed to fair value interest rate risk. However, whilst changes in market interest rates may give rise to short-term fluctuations in fair value, if the bonds are held to maturity their maturity value is fixed and therefore not subject to interest rate risk.

The Company had no other material interest rate exposures as at either 30 September 2013, 30 September 2012 or 30 September 2011.

(c) Price risk

Price risk is the risk that the value of the instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment, its issuer or all factors affecting all instruments traded in the market. The Company's investments at fair value through profit and loss are directly affected by changes in market prices.

Price risk is managed by investing in an index basket call option on a basket of indices, with an international bank, Credit Suisse. The bank has a Standard & Poors long-term credit rating of A .

Price risk is managed by investing in a zero coupon bond, with an international bank, Investec Bank plc. The bank has a long-term Standard & Poors credit rating of BBB (2012: BBB-).

The investments at fair value through profit and loss and available-for-sale investments expose the Company to price risk. The details are as follows:

	2013	2012	2011
	AUD	AUD	AUD
Deutsche Bank AG index basket call option	-	821,237	1,891,731
Credit Suisse index basket call option	10,555,425	-	-
Investec Bank plc zero coupon bond	43,864,953	24,768,053	27,444,117
	<u>54,420,378</u>	<u>25,589,290</u>	<u>29,335,848</u>

ASIA PACIFIC BASKET LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2013

16. FINANCIAL INSTRUMENT RISK FACTORS (continued)

(i) Market risk (continued)

(c) Price risk (continued)

A 3 per cent increase/decrease in the value of the investments at fair value through profit and loss at 30 September 2013 would have increased/decreased the Net Asset Value of the Company by AUD 316,663 (2012: AUD 24,637).

A 3 per cent increase/decrease in the value of the available-for-sale investments at 30 September 2013 would have increased/decreased the Net Asset Value of the Company by AUD 1,315,949 (2012: AUD 743,042).

(ii) Credit risk

Credit risk arises when a failure by counter-parties to discharge their obligations could reduce the amount of future cash inflows from financial assets on hand at the year end date. These financial assets include cash and cash equivalents, debtors, available-for-sale investments and investments at fair value through profit and loss. The Company's exposure to credit risk arises from default of the counterparty with a maximum exposure equal to the carrying value or fair value of these instruments.

The Company aims to manage credit risk by holding its securities and cash assets with reputable banking institutions with an investment grade long-term credit rating, ie a Standard & Poors rating in the range AAA+ to BBB-. In the event of any downgrading in the long-term credit rating of any issuer below this level, the Company in its absolute discretion would consider the following courses of action: selling the relevant securities to third party purchasers and reinvesting the proceeds in the purchase of securities of another issuer, such that the new securities would replicate as closely as possible the terms and conditions of the original securities; and transferring cash to another banking institution. The Directors would only seek to sell the relevant securities or transfer cash if they consider on the advice of the investment advisor that such would be in the best interests of the Company and its shareholders.

The Company monitors the creditworthiness of its counterparties on an ongoing basis.

The majority of the Company's trade and receivables consist of prepayments and there is no credit risk associated with these balances.

The available-for-sale investments are held with Investec Bank plc, which has a Fitch long term rating of BBB- (2012: BBB-). The investments at fair value through profit and loss are held with Credit Suisse, which has a Standard & Poors long-term rating of A (2012: Deutsche Bank AG, with a credit rating of A+).

(iii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet financial liability obligations as they fall due, which may cause financial losses to the Company. The Company places its cash and cash equivalents with financial institutions on a short-term basis in order to maintain a high level of liquidity. This ensures that the Company is able to complete transactions in a timely manner, thus minimising the Company's exposure to such losses.

The Board reviews the cash resources of the Company every quarter and ensures that sufficient monies are held on call account to meet its short term obligations. At 30 September 2013 the cash on call was AUD 2,526,207 (2012: AUD 212,891), which is considered by the Board to be sufficient to meet all the Company's short term obligations.

The following table analyses the Company's financial liabilities, which will be settled on a net basis, into relevant maturity groupings based on the remaining period from the balance sheet date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(iv) Fair value hierarchy

The following table analyses instruments carried at fair value, by level of the fair value hierarchy. The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (ie as prices) or indirectly (ie derived from prices);
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

(v) Capital risk management

The Company's capital comprises the funds it has raised through the issue of share capital.

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to ensure that the Company will be able to continue as a going concern, the Board continuously monitors forecast and actual cash flows and matches the maturity profiles of assets and liabilities. The Company has no external borrowings.

17. POST BALANCE SHEET EVENTS

There were no significant post year end events requiring disclosure in these financial statements.
