THE OFFERS COMMENCE ON 16 SEPTEMBER 2024 AND WILL EXPIRE AT 16:00 HOURS (LONDON TIME) ON 20 SEPTEMBER 2024 (THE 'EXPIRATION DEADLINE'), UNLESS EXTENDED, RE-OPENED, WITHDRAWN OR TERMINATED AT THE SOLE DISCRETION OF THE ISSUER. TENDER INSTRUCTIONS, ONCE SUBMITTED, MAY, IN PRINCIPLE, NOT BE WITHDRAWN EXCEPT IN THE LIMITED CIRCUMSTANCES OUTLINED IN THE TENDER OFFER MEMORANDUM.

The Issuer reserves the right, in its sole and absolute discretion, not to accept any Tender Instructions, not to purchase the Notes or to extend, re-open, withdraw or terminate any Offer and to amend or waive any of the terms and conditions of any Offer in any manner, including, but not limited to, allocating an amount for the purchase of the Notes that is higher or lower than the indicative Maximum Acceptance Amount, which is expected to be announced on 17 September 2024.

Tenders of Notes for purchase must be made to the Issuer in accordance with the procedures set out in the Tender Offer Memorandum. The Issuer intends to announce, *inter alia*, its decision of whether to accept (subject to the satisfaction or waiver of the New Financing Condition on or prior to the Settlement Date) valid tenders of Notes for purchase pursuant to the Offers (including, if applicable, the Settlement Date for such Offers) in an announcement expected to be made on 23 September 2024.

Notes purchased by the Issuer pursuant to the Offers will be cancelled and will not be re-issued or re-sold. Notes which have not been validly tendered and accepted for purchase pursuant to the Offers will remain outstanding after the Settlement Date.

Rationale for the Offers

The Offers are being undertaken to proactively manage the Issuer's outstanding debt portfolio.

Purchase Price and Accrued Interest Payment

Subject to the applicable Minimum Denomination in respect of the relevant Series of Notes, the price payable per EUR 1,000 in principal amount of the Notes accepted for purchase (the '**Purchase Price**') will be determined as provided in the Tender Offer Memorandum by the Dealer Manager on behalf of the Issuer at the Pricing Time on the Pricing Date (which is expected to be at or around 11:00 hours (London time) on 23 September 2024) in accordance with market convention and is intended to reflect a yield to the Call Date (in respect of the November 2026 Notes) or the Maturity Date (in respect of the March 2027 Notes) on the Settlement Date, based on the Purchase Yield. The Purchase Yield in respect of each Series will be determined as the sum of the relevant fixed spread in respect of that Series, as specified in the table above (the '**Fixed Spread Amount**') and the relevant Benchmark Rate, as specified in the table above, at or around the Pricing Time on the Pricing Date, expressed as a percentage and rounded to the third decimal place (with 0.0005 being rounded upwards).

The Purchase Price in respect of each Series will equal (i) the value of all remaining payments of principal and interest on the Notes of the relevant Series up to and including the Call Date (in respect of the November 2026 Notes) or the Maturity Date (in respect of the March 2027 Notes), discounted to the Settlement Date at a discount rate equal to the Purchase Yield in respect of the relevant Series minus (ii) the relevant Accrued Interest, expressed as a percentage and rounded to the third decimal place (with 0.0005 being rounded upwards). The determination of the Purchase Price for the Notes by the Dealer Manager on behalf of the Issuer will, in the absence of manifest error, be final and binding on all parties.

In respect of any Notes accepted for purchase, the Issuer will also pay an amount equal to any accrued and unpaid interest on the relevant Notes from, and including, the interest payment date for such Notes immediately preceding the Settlement Date up to, but excluding, the Settlement Date, which is expected to be 25 September 2024.

Purchase Consideration

The total consideration payable to each Noteholder in respect of each Series of Notes validly submitted for tender and accepted for purchase by the Issuer will be an amount in cash equal to (i) the Purchase Price for such Series of Notes multiplied by each EUR 1,000 in aggregate principal amount of such Notes tendered and delivered by such Noteholder and accepted by the Issuer for purchase (ii) plus the Accrued Interest Payment in respect of such Notes. The total consideration payable to all Noteholders pursuant to all of the Offers will be an amount in cash equal to the aggregate total (across all Series of Notes) of (i) the Purchase Price for each Series of Notes multiplied by each EUR 1,000 in aggregate principal amount of Notes of that Series tendered and accepted by the Issuer for purchase, (ii) plus Accrued Interest Payments in respect of each Series of Notes.

Maximum Acceptance Amount and Series Acceptance Amount

If the Issuer decides to accept any validly tendered Notes for purchase pursuant to the Offers, the maximum amount payable by the Issuer for all Notes so accepted minus all Accrued Interest Payments in respect of such Notes accepted for purchase is expected to be the aggregate nominal amount of the new euro-denominated senior unsecured notes (the '**New Notes**') to be issued in one or more series by the Issuer (the maximum amount so allocated for the purchase of Notes being the '**Maximum Acceptance Amount**').

The Issuer reserves the right, in its sole and absolute discretion, to allocate an amount for the purchase of the Notes that is higher or lower than the indicative Maximum Acceptance Amount, which is expected to be announced on 17 September 2024.

When accepting validly tendered Notes for purchase pursuant to the Offers, the Issuer will in its sole and absolute discretion determine the aggregate principal amount of each of the November 2026 Notes and the March 2027 Notes accepted for purchase pursuant to the Offers and reserves the right to accept significantly more or less (or none) of the Notes of one Series as compared to the other Series. The principal amount of Notes of each Series which the Issuer accepts for purchase (the '**Series Acceptance Amount**') will be announced after the Pricing Time on the Pricing Date.

In the event that Tender Instructions are received in respect of an aggregate principal amount of Notes of the relevant Series which is greater than the Series Acceptance Amount, such Tender Instructions will be accepted on a *pro rata* basis as provided in the Tender Offer Memorandum.

New Financing Condition

The Issuer expects to announce today its intention to issue all the New Notes. The purchase of any Notes by the Issuer pursuant to the Offers is subject also to the successful completion (in the determination of the Issuer) of the issue of all the New Notes (the '**New Financing Condition**') or waiver of the New Financing Condition by the Issuer.

Even if the New Financing Condition is satisfied, the Issuer is not under any obligation to accept for purchase any Notes tendered pursuant to the Offers. The acceptance for purchase by the Issuer of Notes tendered pursuant to the Offers is at the sole discretion of the Issuer and tenders may be rejected by the Issuer for any reason.

Priority in allocation of New Notes

The Issuer will, in connection with the allocation of the New Notes, consider among other factors whether or not the relevant investor seeking an allocation of the New Notes has, prior to such allocation, validly tendered or given a firm intention to the Issuer or the Dealer Manager that they intend to tender their Notes pursuant to the Offers and, if so, the aggregate principal amount of Notes tendered or intended to be tendered by such investor.

Therefore, a Noteholder that wishes to subscribe for New Notes in addition to tendering Notes for purchase pursuant to one or more Offers may be eligible to receive, in the sole and absolute discretion of the Issuer, priority (the '**New Issue Priority**') in the allocation of the New Notes, subject to the issue of all the New Notes and such Noteholder making a separate application for the purchase of such New

Notes to the Dealer Manager (in its capacity as a manager of the issue of the New Notes in accordance with the standard new issue procedures of such manager).

However, the Issuer is not obliged to allocate the New Notes to a Noteholder who has validly tendered or indicated a firm intention to tender Notes pursuant to the Offers and, if New Notes are allocated, the aggregate principal amount of New Notes for which New Issue Priority will be given to such a Noteholder will be at the sole discretion of the Issuer and may be less than, equal to or greater than the aggregate principal amount of Notes validly tendered by such Noteholder in the Offers and accepted for purchase by the Issuer pursuant to the Offers. Any such allocation will also, among other factors, take into account the Minimum Denomination of the New Notes (being EUR 100,000).

All allocations of the New Notes, while being considered by the Issuer as set out above, will be made in accordance with customary new issue allocation processes and procedures.

In the event that a Noteholder validly tenders Notes pursuant to an Offer, such Notes will remain subject to the conditions of the relevant Offer as set out in the Tender Offer Memorandum irrespective of whether that Noteholder receives all, part or none of any allocation of New Notes for which it has applied.

All Tender Instructions or applications to purchase New Notes are subject to all applicable securities laws and regulations in force in any relevant jurisdiction (including the jurisdiction of the relevant Noteholder).

Noteholders should note that the pricing and allocation of the New Notes are expected to take place prior to the Expiration Deadline for the Offers and any Noteholder that wishes to subscribe for New Notes in addition to tendering existing Notes for purchase pursuant to the Offers should therefore provide, as soon as practicable, to the Dealer Manager any indications of a firm intention to tender Notes for purchase pursuant to the Offers and the principal amount of Notes that it intends to tender if it wishes to be eligible to receive such priority in the allocation of the New Notes on the terms and subject to the Conditions set out in the Tender Offer Memorandum.

No Series Prioritisation and Acceptance on a pro-rata basis

When accepting validly tendered Notes for purchase pursuant to the Offers, the Issuer will in its sole and absolute discretion determine the aggregate principal amount of each Series of Notes accepted for purchase pursuant to the Offers and reserves the right to accept significantly more or less (or none) of the Notes of one Series as compared to the other Series.

In the event that the aggregate principal amount of Notes of a particular Series represented by Tender Instructions is greater than the Series Acceptance Amount, such Tender Instructions will be accepted on a *pro rata* basis. Such *pro rata* allocations will be calculated in relation to each Series of Notes as set out in the Tender Offer Memorandum.

Tender Instructions

The Issuer will only accept tenders of Notes for purchase pursuant to the Offers which are made by way of the submission of valid Tender Instructions in accordance with the procedures set out in the section titled '*Procedures for Participating in the Offers*' in the Tender Offer Memorandum.

To tender Notes in the Offers, a Noteholder should deliver, or arrange to have delivered on its behalf, via the relevant Clearing System and in accordance with the requirements of such Clearing System, a valid Tender Instruction that is received in each case by the Tender Agent by the Expiration Deadline.

Tender Instructions must be submitted in respect of a principal amount of Notes of the relevant Series of no less than the Minimum Denomination for that Series, and may be submitted in integral multiples of EUR 1,000 in excess thereof.

Each Noteholder that wishes to subscribe for New Notes in addition to tendering Notes for purchase pursuant to the Offers and wishes to be eligible to receive New Issue Priority for the New Notes must

make a separate application for the purchase of the New Notes. See '*Terms and Conditions of the Offers – Priority in allocation of New Notes*' in the Tender Offer Memorandum.

Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold Notes when such intermediary would require to receive instructions from a Noteholder in order for that Noteholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Offers before the deadlines specified in the Tender Offer Memorandum. **The deadlines set by any such intermediary and each Clearing System for the submission of Tender Instructions will be earlier than the relevant deadlines specified in the Tender Offer Memorandum.**
