Royal Gazette Cybersecurity Incident

On July 7, 2024, the Royal Gazette was subject to a cybersecurity incident.

The Royal Gazette's IT team and external advisors are working diligently to identify the source and extent of any data breaches. We are not aware, at this time, of any customer data or information that was exposed. If we discover customer data or information was exposed; we will immediately notify those affected.

Our editorial, advertising, and circulation teams are focused on preventing disruption to our readers and advertisers. We appreciate the support and understanding of our customers.
